Body-Worn Camera Footage from November's Fatal Police-Involved Shooting in Frederick Released

BALTIMORE, MD (December 19, 2022) – The Independent Investigations Division (IID) of the Office of the Attorney General today released the [body-worn camera footage](#) from the fatal police-involved shooting that occurred on November 29, 2022, in Frederick, Maryland. The decedent was previously identified as 23-year-old Aaron Mensah, of Frederick, Maryland.

The IID will generally release body-worn camera and dashboard camera footage within 14 days of an incident. The release of the body-worn camera footage in this incident was delayed to allow investigators to conduct witness interviews.

The Independent Investigations Division continues to investigate the circumstances of the fatal shooting. To read the original news release, click [here](#).
